

Serbian President visits ZED Mariel

December 14, 2017
ZED Mariel Office

Serbian President Aleksandar Vucic and the accompanying official delegation, today visited Mariel Special Development Zone, where he held a fruitful exchange with Directors of the Zone's Office.

The Serbian leader asked about the established businesses, the advantages of investing in the Zone and the fiscal incentives that apply as part of its special regimes.

He also exchanged views on various issues related to the Cuban economy and process of updating our economic model.
