

New user of ZED Mariel approved for the construction and rental of industrial facilities and offices

September 04, 2019
Oficina ZED Mariel

Spanish capital company Grupo BM Interinvest Technologies Mariel, S.L.U. was established this Wednesday, September 4th, as a user of ZED Mariel.

Authorized to operate for a period of 40 years, the branch of Grupo BM Interinvest Technologies Mariel, S.L.U. will build and operate a platform of offices and facilities for industrial and service use, and will provide other associated services.

The strategic guidance of ZED Mariel, its Development and Business Program, includes the development of infrastructure and services aimed at enhancing a favorable business environment that will boost the establishment of new users and concessionaires.
