

ViMariel presents at FIHAV the novelties of its industrial park

November 07, 2019
Oficina ZED Mariel

In the framework of Havana International Fair, ViMariel, S.A., established as concessionaire of Mariel Special Development Zone (ZED Mariel), presented the news and projections of its Industrial Park in an area of 156 hectares, currently under construction.

While working in the development of infrastructures this company of Vietnamese capital attracted its first client, the company Ecoplast, S.A., which is business number 49 inÂ ZED Mariel.

With the presence of Ambassador of the Socialist Republic of Vietnam, Ân Nguyen Trung Thanh, directors of ViMariel, S.A. showed the progress in the construction works in the Industrial Park, where there is space ready for the establishment of other clients.

According to directors of ViMariel, S.A., once this stage is completed, the company will offer to clients three possibilities for establishment: renting the land, undertaking the construction of the plant or renting standard industrial warehouses.

Priority projects for the Industrial Park include the production of machinery, electrical appliances, sanitary fixtures and construction materials.

Viglacera, the company investing in ViMariel, S.A., has 20 years experience in the development of 12 industrial parks in Vietnam, to which it has attracted around 300 enterprises.
