

Texas Governor visits Mariel Special Development Zone

December 01, 2015

Oficina de la Zona Especial de Desarrollo Mariel

Governor of the State of Texas, Greg Abbott, today visited Mariel Special Development Zone with the delegation accompanying him in his visit to Cuba.

Following the visit to various areas of Mariel Container Terminal (TCM), the Governor highlighted the opportunities the Zone presents for investors as well as the potential of TCM for maritime traffic operations in the region.
