

MARIEL SOLAR S.A. FIRST RENEWABLE ENERGY PROJECT IN ZED MARIEL

August 18, 2017
ZED Mariel Office

Mariel Solar S.A. from France has been approved as the first renewable energy project in Mariel Special Development Zone.

Mariel Solar S.A., is a totally foreign capital company, made up of French EREN and British Hive Energy, that will operate three solar parks with a total generation output of 50 MWh.
