

**ECONOMY AND PLANNING  
RESOLUTION 470/2014**

WHEREAS: The Ministry of Economy and Planning is the body responsible for the process of drafting the annual plan, as prescribed by Section 2.1 of Resolution 5959 of 2 April 2007, of the Executive Committee of the Council of Ministers;

WHEREAS: It has been decided that the employment entities providing services in Mariel Special Development Zone shall determine fees for the supply of labor force;

THEREFORE: In exercise of the powers vested in me by Section 3.4 of Resolution 2817 of 25 November 1994, of the Executive Committee of the Council of Ministers,

**I RESOLVE**

I. The employment entities authorized to supply labor force associated with foreign investment in Mariel Special Development Zone, shall receive for provision of such labor force a value not exceeding 20% of the total agreed workers salaries in CUC.

II. This percentage is intended to cover these entities costs, including short-term workers benefits, plus a profit margin.

TO BE PUBLISHED in the Official Gazette of the Republic of Cuba.

The signed original TO BE FILED in the legal Department of this Ministry.

ISSUED in Havana on 20 June 2014

**Adel Yzquierdo Rodríguez**  
Minister of Economy and  
Planning
